

Offering the *flexible* workforce solutions

PCN Projects is part of PCN Capital and plays an important role in providing the full service potential with our clients that we aim for. In the current markets the pressure is on to find the right permanent talent, with PCN Capital we're able to attract this talent for our clients.

Understanding the need of our clients often exceeds the need for permanent hire and with PCN projects we're able to fulfill every recruitment need for our clients. By offering three flexible workforce solutions in our specialized verticals:

PCN Projects offers 3 flexible workforce solutions:

Interim

We connect your company with highly skilled interim professionals for your urgent requirement. Our goal is to provide you with 3 suitable candidates within 48 hours.

Temp to perm / deta-vast

Is our solution for clients that are in need of flexible workforce with the possibility to take them on permanently. PCN Projects acts as employer of record for the temporary period.

Payroll

Our Payroll solution enables your company to tap into an international network of highly skilled contractors. PCN Projects handles all contractual and administrative responsibilities.
